The Ambulatory Surgery Center at St. Mary selects *AmkaiSolutions*[™]

Waterbury, CT ---January 11, 2011 --- *AmkaiSolutions*[™] announced today that it has entered into an agreement to provide the Ambulatory Surgery Center at St. Mary a full suite of software solutions to manage the new surgery center. *AmkaiSolutions*[™] will provide AmkaiCharts[™] as the EMR software solution and AmkaiOffice[™] as the administrative solution. “We are excited to have been selected by the Ambulatory Surgery Center at St. Mary as their trusted software partner”, said Joe Macies, CEO of *AmkaiSolutions*[™]. “We look forward to helping the Ambulatory Surgery Center at St. Mary streamline all clinical and administrative processes.”

“After careful evaluation of our software choices, we found *AmkaiSolutions*[™] to be the most flexible and user intuitive solution to meet our needs”, said Tony Mannarino, MD, President of the center’s Board of Managers. “Our mission is to deliver the best patient care and *AmkaiSolutions*[™] proved, not only to have the software functionality we need, but the outstanding customer service required in our software partner”, added Dr. Mannarino. The Ambulatory Surgery Center at St. Mary will open in early spring offering specialties in Ophthalmology, ENT, Orthopedics, and Plastic Surgery.

About the Ambulatory Surgery Center at St. Mary

The Ambulatory Surgery Center at St. Mary is a joint venture between St. Mary Medical Center and surgeons representing specialties in Ophthalmology, ENT, Orthopedics, and Plastic Surgery. The center expects to open in early spring offering 4 operating rooms and 1 procedure room. The center is located in Langhorne, PA.

***About AmkaiSolutions*[™]**

AmkaiSolutions[™] offers administrative systems through AmkaiOffice[™], electronic medical record systems through AmkaiCharts[™], complete enterprise systems through AmkaiEnterprise[™], and specialty-specific software for GI, Pain, Orthopedic and Ophthalmology operations. Customers can acquire these solutions as a license acquisition or through a subscription plan.

AmkaiSolutions[™] systems are installed across the country in Ambulatory Surgery Center, Surgical Hospital and physician practice settings. “AmkaiCharts[™] was recently ranked #1 among EHR systems for ASCs by Parsons Institute for Information Mapping,” noted Craig Veach, Senior Vice President at
