### ***AmkaiSolutions™* Hires Senior Vice President of Client Services**

**Waterbury, CT ---August 2, 2010 ---** ***AmkaiSolutions™*** announced today that it has hired Frank Doto as Senior Vice President of Client Services. “Our mission is to be the premier provider of effective software solutions for our clients - Ambulatory Surgery Centers, Surgical Hospitals and affiliated physician practices – and we think of the client support component as an integral part of the ***AmkaiSolutions™*** experience, said Joe Macies, CEO of ***AmkaiSolutions™***.” “Frank brings great expertise to this mission and we are very excited to have him as part of the ***AmkaiSolutions™*** team,” added Mr. Macies

Frank joins the Amkai team, bringing with him over nine years of experience building client service and implementation teams within the healthcare market. Previously with HSS, Inc. (eventually purchased by Ingenix), a provider of Medicare and Medicaid perspective payment reimbursement solutions for acute care hospitals and payer organizations, Frank initially lead the client support help desk and fulfillment groups building them into a client trusted team that won best in KLAS five straight reporting periods. Later, he took over responsibilities for client account management to form solid client/vendor partnerships with a strategic purpose of forming sales references, software release early adopters, and to boost client retention.

“I am very excited to be joining the ***AmkaiSolutions™*** team as the company enters a period of extensive system implementations,” said Frank Doto, the new Senior Vice President of Client Services at ***AmkaiSolutions™***. “With a number of recent installations for Covenant Surgical, Nueterra Healthcare and Proliance Surgeons, among others, and a strong pipeline of additional implementations scheduled, I am very excited to be adding my expertise to the this process,” added Mr. Doto.

***AmkaiSolutions™*** offers administrative systems through AmkaiOffice™, EHR systems through AmkaiCharts™, complete enterprise systems through AmkaiEnterprise™, and specialty-specific software for GI, Pain, Orthopedic and Ophthalmology operations. Customers can acquire these solutions on a centrally hosted subscription plan, called Amkai OnDemand™ as well as via license acquisition.

***AmkaiSolutions™*** systems are installed across the country in ASCs, Surgical Hospitals and physician practice settings. “AmkaiCharts was recently ranked #1 among EHR systems for ASCs by Parsons Institute of Information Management,” noted Craig Veach, Senior Vice President at ***AmkaiSolutions™***. “Additionally, AmkaiCharts has been surveyed successfully by The Joint Commission, AAAHC and CMS.”
