

AmkaiSolutions™ Hires Vice President of Sales

AmkaiSolutions™ announced today that it has hired Harry Petaway as Vice President of Sales to cover the United States North-Central territory. “With the recently completed \$3 million financing, we are very excited to continue to expand our sales and marketing programs to support the outstanding growth we are experiencing,” said Joe Macies, CEO AmkaiSolutions™. “We are delighted that our company growth is attracting high caliber sales talent like Harry,” added Mr. Macies.

Waterbury, CT (Vocus/PRWEB) November 30, 2010 -- AmkaiSolutions™ announced today that it has hired Harry Petaway as Vice President of Sales to cover the United States North-Central territory. “With the recently completed \$3 million financing, we are very excited to continue to expand our sales and marketing programs to support the outstanding growth we are experiencing,” said Joe Macies, CEO AmkaiSolutions™. “We are delighted that our company growth is attracting high caliber sales talent like Harry,” added Mr. Macies.

Harry Petaway began his Healthcare career as a government programs outreach education specialist during the transition of Michigan Medicaid’s fee-for- service program to managed care. He gained expertise in revenue recovery, 3rd party payer systems, healthcare utilization and quality/process improvement initiatives for physicians and facilities. Harry then moved into sales working with hospitals and specialists in the pharmaceutical industry before spending the last several years focused on the ambulatory surgery center and hospital market for a leading company in the Health IT industry. Harry brings 15 years of healthcare experience ranging from product, patient to payer.

“I am excited to be joining the AmkaiSolutions™ team as the company enters a new chapter in healthcare,” said Harry Petaway, the new Vice President of Sales for the North-Central territory. “The products we offer and the people that support it are exceptional. AmkaiSolutions™ is truly the leader in partnering with our clients to provide a complete solution for the ever changing administrative and documentation challenges for Ambulatory Surgery Centers and Surgical Hospitals,” added Mr. Petaway.

“Our mission is to be the premier provider of effective software solutions for our clients - Ambulatory Surgery Centers, Surgical Hospitals and affiliated physician practices – and we want our clients to think of AmkaiSolutions™ as the best system to maximize their revenues and to optimize their clinical data management, and we look forward to having Harry in the field to communicate our story and to expand our client base,” said Joe Macies, CEO of AmkaiSolutions™.
