### **AmkaiSolutions™ Launches Client Services Enhancements**

**Waterbury, CT --- June 17, 2010 ---** AmkaiSolutions™ announced today the launch of AmkaiCommunity™, AmkaiTracker™ and AmkaiWiki™. “With our mission to be the premier provider of effective software solutions for our clients, these programs enable us to offer our clients transparency and efficient knowledge sharing, said Joe Macies, CEO of AmkaiSolutions™.”

 offers our client, in a secure environment, the opportunity to have web enabled interaction with other AmkaiSolutions™ clients and our staff. The site is enabled for “live chat” as well as being the portal for best practice tips, question and answer indexing, interesting applications and more, all provided in a community spirited environment focused on maximizing the benefits of the AmkaiSolutions™ software.

 offers our clients the opportunity to track product development and functionality enhancement requests online. AmkaiSolutions™ believes in transparency and this program will make the interaction between our clients and our staff more efficient.

 offers our clients help files, systems guidelines, white papers and other documentation for all AmkaiSolutions™. Providing this on a Wiki based platform allows AmkaiSolutions™ to maintain up to date information to our clients in a convenient and familiar web based portal.

“These programs have been developed based on requests from our clients and the early adopter feedback has been very supportive, said Dean Moroniti, Client Services Manager of AmkaiSolutions™.” “We are constantly striving to improve client services and we believe these programs will be tremendously helpful to our clients,” continued Mr. Moroniti.

## **About AmkaiSolutions™**

**AmkaiSolutions™** offers administrative systems through AmkaiOffice™, EMR systems through AmkaiCharts™, complete enterprise systems through AmkaiEnterprise™, and specialty-specific software for GI, Pain, Orthopedic and Ophthalmology operations. Customers can acquire these solutions on a centrally hosted subscription plan, called Amkai OnDemand™ as well as via license acquisition.
