***AmkaiSolutions™* Hires Vice President of Marketing**

Waterbury, CT ---August 2, 2010 --- AmkaiSolutions™ announced today that it has hired Linda Wilhelm as Vice President of Marketing. “With the near completion of our \$3 million financing and the strong market support for the **AmkaiSolutions™** product offering, we are very excited to be in a position to pursue a broader marketing program,” said Joe Macies, CEO of **AmkaiSolutions™**. “Linda brings great expertise to this mission and we are very excited to have her as part of the **AmkaiSolutions™** team, added Mr. Macies.”

Linda joins the team bringing over 17 years sales and marketing experience in the high technology IT space. Linda started her career selling software for IBM and has held leadership positions at high tech companies such as HP, Advanced Micro Devices, BEA Systems and others. Linda brings a unique and broad marketing perspective to **AmkaiSolutions™** with her background in software, hardware and services marketing. Linda attributes her success to her commitment and passionate focus on customer success.

“I am very excited to be joining the **AmkaiSolutions™** team as the company enters a very interesting market development phase, said Linda Wilhelm, the new Vice President of Marketing at **AmkaiSolutions™**. “With AmkaiOfficeSH™ in its final development phase and AmkaiChartsSH™ as an already established system, we are soon to launch an attractive and comprehensive solution for the Surgical Hospital market. This coupled with the product leadership position of our AmkaiOffice™ and AmkaiCharts™ for the Ambulatory Surgery Center market, is an exceptionally interesting platform for a broader marketing program”, added Ms. Wilhelm.”

“Our mission is to be the premier provider of effective software solutions for our clients - Ambulatory Surgery Centers, Surgical Hospitals and affiliated physician practices – and we want our clients to think of **AmkaiSolutions™** as the best system to maximize their revenues and to optimize their clinical data management. We look forward to having Linda help us communicate our story to the client base, said Joe Macies, CEO of **AmkaiSolutions™**.”

AmkaiSolutions™ offers administrative systems through AmkaiOffice™, EHR systems through AmkaiCharts™, complete enterprise systems through AmkaiEnterprise™, and specialty-specific software for GI, Pain, Orthopedic and Ophthalmology operations. Customers can acquire these solutions on a centrally hosted subscription plan, called Amkai OnDemand™ as well as via license acquisition.

All product, service, and corporate names mentioned are the trademarks of their respective companies. AmkaiSolutions, AmkaiOffice, AmkaiCharts, and AmkaiEnterprise are trademarks of Amkai LLC.

AmkaiSolutions™ systems are installed across the country in ASCs, Surgical Hospitals and physician practice settings. “AmkaiCharts was recently ranked #1 among EHR systems for ASCs by Parsons Institute of Information Management,” noted Craig Veach, Senior Vice President at **AmkaiSolutions™**. “Additionally, AmkaiCharts has been surveyed successfully by The Joint Commission, AAAHC and CMS.”

About AmkaiSolutions™

AmkaiSolutions™ delivers comprehensive information management for outpatient surgery providers across every stage of administrative and clinical workflow. **AmkaiSolutions™** suite of business management, electronic health record, CPOE, e-prescription, and related applications promotes streamlined operations, structured data exchange, and patient safety.
