Proliance Surgeons Selects *AmkaiSolutions*™

Seattle, WA and Waterbury, CT ---May 19, 2010 --- *AmkaiSolutions*™ announced today that it has entered into an agreement to provide Proliance Surgeons with a full suite of software solutions for its surgery centers. “We are very excited to have been selected by Proliance Surgeons as their software partner”, said Joe Macies, CEO of *AmkaiSolutions*™. “To be selected after months of the most in-depth technology evaluation is a tremendous honor and speaks to our mission to be the premier provider of effective software solutions for our clients”, added Mr. Macies.

“As one of the largest surgical practices in the country, we spent almost one year investigating administrative and EHR software solutions for our 12 ASCs and selected *AmkaiSolutions*™ for its significantly superior EHR software and the overall enterprise functionality of their products”, said David Fitzgerald, CEO of Proliance Surgeons. “We are happy to partner with *AmkaiSolutions*™ and look forward to enjoying the benefits to our operations of having the *AmkaiSolutions*™ software across our ASCs”.

The agreement is being introduced in conjunction with the annual convention of the ASC Association in Anaheim, CA.

About Proliance Surgeons

Proliance Surgeons is one of the largest surgical practices in the country, with 165 physicians specializing in Orthopedics, Ear Nose & Throat and General Surgery. Proliance is committed to providing the highest quality of care available. Proliance physicians provide care at 30+ conveniently located offices throughout King, Snohomish, Pierce and Skagit counties of Washington. Many surgeries are performed in Proliance’s 12 Ambulatory Surgery Centers. All Orthopedic Surgeons have training in general orthopedics with additional specialized training in sports medicine, joint reconstruction, arthroscopic surgery, spine surgery, hand surgery, foot surgery, fracture care, or major orthopedic trauma. All General Surgeons have training in general surgery, with additional specialized training in breast, thoracic, vascular or colo-rectal surgery. The ENT surgeons have training in otolaryngology with additional specialized training in facial plastic surgery. For further information, visit www.proliancesurgeons.com.
